**Note:** Being a natural material, each mother-of-pearl spoon is unique. Therefore, it is possible that the article received might be slightly different from the images displayed

Hand wash in warm water with mild soap, dry well and store well to maintain luster and prevent chipping

**Sustainability Policy:** 

Our commitment to sustainability doesn't end with our production process. We also ensure that the mother of pearl we use is harvested sustainably and in a way that respects local communities and ecosystems. By choosing our spoons, you're making a choice that is good for you, good for the environment, and good for the people who make them.

We're committed to sustainability every step of the way, to keep the ecological footprint as small as possible
